Stops Lameness

Much of the chronic lameness in horses is due to neglect.

See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 43, writes:—"I have used your Liniment on a horse for swiney and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my estimation the best remedy for lameness and soreness is

Sloan's Liniment

Mr. H. M. Gibbs, of Lawrence, Kans., R.F.D. No. 3, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one soc. bottle of Sloan's Liniment entirely cured her. I keep it around all the time for galls and small swellings and for everything about the stock."

Price 60c. and \$1.00

BANK OF CLOVERPORT

Incorporated 1903

Capital, Surplus and Undivided Profits \$22,600.00

WE wish all a Happy and Prosperous New Year, and desire to thank those who have heretofore contributed their patronage and influence. We have made our resolution to double our business during 1910, and looking forward to that mark, we earnestly solicit your account, whether it be large or small we will appreciate and give it our very best attention. It is better to keep adding to a small account than to be continually reducing a small one. If you are not already a customer, we invite your attention to our board of directors composed of successful business men who direct the affairs of this bank. Fully insured. Interest paid on time deposits. If our methods please you, tell others, if not, tell us, and we will see to it, the fault, if ours, will be corrected.

EVERY FARMER

As well as every business man should have a bank account.

WHY?

Because: Your money is safer in the bank than anywhere else. Paying your bills by check is the simplest and most convenient method. Your check becomes a voucher for the debt it pays. It gives you a better standing with business men. Money in the bank strengthens your credit. A bank account teaches, helps and encourages you to save. This bank does all the bookkeeping. Your bank book is a record of your business.
